

Celebrate Lois W's birthday!

Lois W, our co-founder was born on March 4th. For the **next six months** let do just that! Let's "March Forth" with Public Outreach acts to spread the message to those who are still suffering from the family disease of alcoholism.

Here are just a few suggestions

- ✚ Leave CAL in a waiting room or public place
- ✚ Speak to a professional (doctor, counselor, healthcare, teacher, etc) about Al-Anon
- ✚ Keep Al-Anon Faces Alcoholism (AFA) in your car trunk to pass out hope when needed.
- ✚ Volunteer to speak at a treatment center on Family Day
- ✚ Answer the phone at the AIS/LDC
- ✚ Lead or start a beginner's meeting for newcomers
- ✚ Put the Area business card at a bulletin board in a gas station, coffee shop, etc
- ✚ Send letters to local churches, police stations, doctors, court houses, lawyers, hairdressers, etc to explain what Al-Anon is so they can make referrals
- ✚ Do a District or meeting PO project
- ✚ Speak to the press anonymously
- ✚ Put your meeting info in the newspaper or local bulletin boards
- ✚ Pass on WSO's Al-Anon messages on Social media
- ✚ Talk to TV or radio stations so they play the Al-Anon produced PSAs
- ✚ Much much more...

Please accept this challenge and move forward with Public Outreach. There are affected family members just waiting for our hand. Email publicoutreach@area61afg.org to let us know what you plan to do for the 6 months after Lois W's birthday!
