Due to the Covid-19 pandemic, it has been necessary for several groups to suspend in person meetings or to meet by digital means. Donations to the District have been down considerably. This letter is an appeal to groups and individuals to continue to make donations to the district.

The District has been ramping up outreach in a few different ways. In September, the District Board approved running an ad on a Janesville Metro bus. The ad has been running since October and will continue to run through September 2022. This ad is one of the expenses paid out of the District treasury. We are in need to money to continue to pay for the bus advertising and other District expenses.

Please send any donations (group or individual) to the following:

AFG District 25
P.O. Box 1492
Janesville, WI 53547-1492

Please remind your groups that donations can be paid by individuals directly to the District 25 post office box number.

Donations can also be sent directly to the Area and WSO as well. Attached is an updated Area 61 Al-Anon & Alateen Contribution Form for use in sending donations to the Area. Also attached is an Area 61 Suggested Group Treasurer Reminder Sheet that provides correct addresses to send donations to.

We also have a new secretary for the District, Suzanne D. She will be sending minutes, agendas, etc. from her email address which is Suzanne.deasey@gmail.com.

Thank you for your help!
